

—DRAWN FOR THE STATE JOURNAL BY GEORGE M'MANUS

IN NORTH TOPEKA

Prof. D. A. Ellsworth Addresses Junior Highs at Quincey.

Other News and Personals From the North Side.

Prof. D. A. Ellsworth, former teacher in the State Normal school at Emporia, and present secretary of the Kansas State Teachers' association, gave an address to the members of the junior high school at Quincey this morning. Professor Ellsworth read to the students several of the poems which he has written.

At the weekly assembly of the school, the students in the second grade gave a short playlet or sketch of the lives of Washington and Lincoln. On the evening of March 10, a bazaar will be given in the school building by the pupils. There will be in one room a doll show, in another an exhibition of relics. A program has been arranged for the evening.

Sugar to Go Up.

Grocers are taking advantage of the fact which the jobbers have given them in regard to the advance in the price of sugar in the month of March. At present sugar is quoted at \$5.75 a hundred whole sacks, and the predictions are that it will go to \$5.25 per hundred by March 15. The reason given for the increase in price is that heretofore 74 per cent of the sugar used in the United States has been refined in Germany. With the exception of England the United States uses more sugar than all other countries put together.

STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets.

That's what thousands of stomach sufferers are doing now. Instead of taking laxatives, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, no gas, no indigestion and stomach troubles.

If you have a bad taste in your mouth, tongue coated, appetite poor, lazy, don't-care feeling, no ambition or energy, troubled with indigestion food you should take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a pure, vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief, so you can eat what you like. At 10c and 25c per box. All druggists.
